Committee(S):

Special Events:

Our special event team is at the heart of fundraising. If you like to have fun and help raise money for scholarships and other Alumni needs come join us. You will be part of developing and implementing the events that raise money throughout the year.

Scholarships/Fundraising/Grants:

Want to make a young person's dream come true by helping to provide scholarships to their school of choice? The Alumni Association is laser focused on highlighting, celebrating and supporting our students who demonstrate excellence through academics, sports and other leadership accomplishments on campus. Here you will be part of the mission to develop and maintain scholarship awards through fundraising and grants.

Would you like to share your wisdom and help a student maneuver through life while in high school? Are you still great at English or Math? You will help to develop programs that give young people options. Help to support the school by mentoring and tutoring students.

A clean and well maintained campus helps to foster pride in your school. Develop programs that get students, alumni and the community involved in events focused on the beautification of the campus. If you are a visionary who is artistic or has a green thumb, bring your energy to help create strategic plans that will restore and maintain the Bulldogs school house.

Reunions:

Did you go to your high school reunion? Do you have great memories of reconnecting with friends and colleagues? Join the team and help to promote and publicize the class reunions to aid in their success.

Advertising/ Publicity:

Nothing happens if it's kept a secret. Do you know how to use Social Media to drive the buzz for an event or project? Can you write press releases or know how to work with the media to get the story told?
